Manager's message

After a very busy Christmas period with most campsites and villas to capacity we are now seeing the rewards from the exciting changes we have been implementing. Food and Beverage has seen new plants and interior decorating in the Flatrock Brasserie, "mood" lighting and reupholstering of bar stools in Wasp bar and a new and inviting menu for Flatrock Brasserie and Skippys. The relaunch of our Umburra Kids Club with two sessions daily over school holidays and evening entertainment including bingo, family quiz nights, karaoke, Kids disco's and movie nights. The beach villa refurbishments are well under way with new signage, stained decks, beachside outdoor showers and new outdoor furniture.

We have already seen some positive feedback from these changes with guest comments and also an Industry Hospitality professional – John Goodison – who has been visiting this resort for the last eight years and was pleasantly surprised and impressed with the changes admitting that the resort has been revitalised again.
